2018 \$5 FINE SILVER COIN
PREDATOR SERIES: WOLF
(COIN 3)

Guardian of its territory, the wolf (*Canis lupus*) is a fearless hunter that relies on its remarkable intelligence, its keen senses, and a pack mentality to maintain its reputation as an apex predator. It also plays an important role in the biodiversity of the remote areas it inhabits, from Newfoundland and Labrador to British Columbia and north.

ENHANCED SECURITY

In a nod to this remarkable animal, the Royal Canadian Mint presents this unique coin that features an engraved portrait of a wolf in pursuit of its prey. The finely engraved details of the wolf set on precisely cut radial lines makes this coin a stunning addition to the 'Predator Series' collection.

SPECIAL FEATURES

- Third issue in an exciting four-coin series showcasing Canadian predators.
- Radial lines on the obverse and reverse, and a micro-engraved maple leaf with year of issue '18', provides enhanced security on this pure silver bullion coin for added peace of mind.
- Masterfully crafted by Royal Canadian Mint engravers using a variety of engraving techniques and finishes to bring depth and texture to this stunning image.
- A beautiful gift or collectible for those who love wildlife, natural images, original artwork, and Canadian themes.
